## Call for papers

**New and Proven Approaches to  
Continual Quality Improvement**  
Sponsored by ASQ's Quality  
Management and Statistics Divisions  
Held Jointly with the World Conference  
on Quality and Improvement  
May 16-18, 2011 in Pittsburgh, PA

### Description

- Submit proposals for 45 minute presentations or two-hour workshops
- Presentations feature new approaches and case-studies that illustrate effective principles
- Workshops are learning opportunities that involve active personal involvement
- In 2010, the institute had an average attendance of 68 people per session

Continual implies prolonged repeated instances of quality improvement illustrated by an on-going sequence of improvement projects

Welcome to the ASQ Statistics Division's E-Zine. Our E-Zine will be a quick source of current news emailed to you monthly or whenever up-to-date news is available. We hope this to be an important member service providing timely information to help keep you employable. The mailing list will initially be Stat Division members who have opted in to receive division publications.
